

# Omar Hsouna

## Senior Frontend Developer

I am a senior frontend developer with over four years of experience, I've created a number of responsive websites using cutting-edge technologies such as ( **React**, **Next.js**, **Vue.js**, **Nuxt.js**), and I adeptly have implemented styles with ( **TailwindCSS**, **Material UI**, **Chakra UI**). My experience also extends to working within agile methodologies like **Scrum**. Furthermore, I'm passionately dedicated to crafting clean, high-performance code, and staying up-to-date with the latest frontend development features are my daily obsessions.
